1. The following include sewing tools found in a Needlework box.

- Tracing Wheel
- Needles
- Tailor’s Chalk
- Measuring Tape
- Pin cushion
- Dressmaker’s Tailor’s Shears
- Seam ripper
- Threads

a. Two of the tools do not have a picture. Draw them. (2 marks)

b. Choose any four tools from the above and state the correct use of each.

<table>
<thead>
<tr>
<th>Tool</th>
<th>Correct Use</th>
</tr>
</thead>
<tbody>
<tr>
<td>i. _________________</td>
<td>_________________________________________________________________________</td>
</tr>
<tr>
<td>ii. _______________</td>
<td>_________________________________________________________________________</td>
</tr>
<tr>
<td>iii. ________________</td>
<td>_________________________________________________________________________</td>
</tr>
<tr>
<td>iv. ________________</td>
<td>_________________________________________________________________________</td>
</tr>
</tbody>
</table>

(4 marks)
c. Name the labelled parts of the sewing machine.

2. Look at the picture of a Textiles lab and answer the questions given.

a. Circle four dangers which are present in the Textiles lab. (2 marks)
b. Suggest a safety measure for each of the dangers spotted.

- 

- 

- 

- 

(4 marks)

c. Describe how you would organise the Textiles lab differently.

- 

- 

(2 marks)

3a. Name four textiles items shown in the picture given. Give the use of each item.

<table>
<thead>
<tr>
<th>Name of Textiles Items</th>
<th>Use</th>
</tr>
</thead>
<tbody>
<tr>
<td>i.</td>
<td></td>
</tr>
<tr>
<td>ii.</td>
<td></td>
</tr>
<tr>
<td>iii.</td>
<td></td>
</tr>
<tr>
<td>iv.</td>
<td></td>
</tr>
</tbody>
</table>

(2, 4 marks)

b. Mention two different fabric properties which you would look for in a quilt.

i. 

ii. 

(2 marks)
4a. Suggest one main fabric property required for the activities given below. Give a reason for each answer.

<table>
<thead>
<tr>
<th>Fabric Property</th>
<th>Reason</th>
</tr>
</thead>
<tbody>
<tr>
<td>i.</td>
<td></td>
</tr>
<tr>
<td>ii.</td>
<td></td>
</tr>
</tbody>
</table>

(2, 4 marks)

b. Name the experiment shown in the diagram given.

(1 mark)

c. Describe the method followed to carry out this experiment.

- 
- 
- 

(3 marks)

d. Complete the table by listing four different fabrics which would give different results in this experiment.

<table>
<thead>
<tr>
<th>Results</th>
<th>Fabric</th>
</tr>
</thead>
<tbody>
<tr>
<td>Absorbent fabric</td>
<td></td>
</tr>
<tr>
<td>Non-absorbent fabric</td>
<td></td>
</tr>
</tbody>
</table>

(4 marks)
5a. Write the correct meaning of the following care labels:

i. ![Care Label](image1.png)
   
ii. ![Care Label](image2.png)
   
iii. ![Care Label](image3.png)

(3 marks)

b. Draw the care label symbols for the following:

i. Do not tumble dry:

ii. Iron using a hot temperature:

iii. Do not wash:

iv. Dry clean only:

(4 marks)

6a. Using the pictures below, identify the sources of natural fibres.

Wool  Silk  Cotton  Linen

![Wool](image4.png)  ![Silk](image5.png)  ![Cotton](image6.png)  ![Linen](image7.png)

(2 marks)
b. Write down the correct natural fibre for each statement given.

i. A soft and fine animal fibre which burns slowly, is very strong and needs ironing: 

____________________

ii. A staple plant fibre which is cool to wear, absorbent but burns easily: 

____________________

iii. A fibre which is very warm but not so strong, very elastic and does not crease easily: 

____________________

iv. It comes from the flax plant, is a good conductor of heat, does not stretch but creases badly: 

____________________

(4 marks)

7a. State **four** ways how you can be a sustainable consumer of textiles.

Example: *Use old jeans to make very strong grocery bags.*

i. _________________________________________________________________________

ii. _________________________________________________________________________

iii. _________________________________________________________________________

iv. _________________________________________________________________________

(4 marks)

b. Name **four** textiles items which can be made from recycled material.

i. _________________________________________________________________________

ii. _________________________________________________________________________

iii. _________________________________________________________________________

iv. _________________________________________________________________________

(4 marks)
8a. What is a fabric collage?

___________________________________________________________________________

___________________________________________________________________________

(2 marks)

b. Give two examples of embellishment that can be used on a collage.

i. ___________________________ ii. ___________________________

(2 marks)

c. Name one creative way of colouring the fabric for the background of a collage.

___________________________________________________________________________

(1 mark)

d. Draw and name three different embroidery stitches which can be used on a collage.

i. ___________________________

ii. ___________________________

iii. ___________________________

(6 marks)

e. Draw one fabric collage making use of one embroidery stitch differently and creatively.

(4 marks)
9a. In spring, you enjoy going for long walks in the countryside with your family. Design a comfortable outfit for you to wear. (4 marks)

b. Colour your design. *Marks will be given for neatness.* (3 marks)

c. Include a pair of suitable shoes. (2 marks)

d. Give a reason for your choice of:
   (i) **Style:**
   
   (ii) **Fabric:**
   
   (4 marks)
10a. Fill in the correct colours of the colour wheel in each part of the wheel.

![Colour wheel diagram]

(6 marks)

b. Give one example of each:

- Primary colour: ________________________________
- Secondary colour: ______________________________
- Tertiary colour: ________________________________

(3 marks)

11. Read the situation given and answer the questions below:

Anne is happy with her new sewing machine which she has bought some time ago. However, the sewing machine has developed a fault and is not working properly when used for embroidery. The sewing machine has five years guarantee. She decides to visit the shop and complain about the problem.

Suggest one consumer responsibility that Anne needs to keep in mind.
