**Situation A**

This is dangerous because: __________________________________________________________

It could be made safe by:

__________________________________________________________
6. During your Textiles Studies lessons, you carried out a number of experiments on fabrics to test for their properties. The diagram below shows one of these tests.

a. This is a test for c__________ f_________________.

b. The table below contains the steps for the experiment.

   **Fill in** the missing words.
   
i. Prepare samples of different _______________. Cut them the same size.

   ii. Stick the samples on ________________ paper.

   iii. Place it in the ___________ for about _______________ weeks.

   iv. Remove it and check results. If the samples get _______________ in colour, this means that they are not colourfast.

   v. If the samples remain the same in colour, this means that they are colourfast.
7. Chris has just bought a shirt and needs to know how to take care of it.

a. Take a look at the care label and give the **meaning** of each care label symbol.

<table>
<thead>
<tr>
<th>Care label symbol</th>
<th>Meaning</th>
</tr>
</thead>
<tbody>
<tr>
<td>![Symbol 1]</td>
<td></td>
</tr>
<tr>
<td>![Symbol 2]</td>
<td></td>
</tr>
<tr>
<td>![Symbol 3]</td>
<td></td>
</tr>
<tr>
<td>![Symbol 4]</td>
<td></td>
</tr>
</tbody>
</table>

(4 marks)

b. Use the information provided to **design** a care label in the space provided.

- Machine wash at 40°C
- Do not tumble dry
- Do not bleach
- Use a cool iron
- Can be dry cleaned

(5 marks)

8. Weaving is one method of fabric construction.

a. Name another method of fabric construction. ________________________________ (1 mark)
b. In the following box, draw the twill weave.  

\[ \text{Diagram} \]  

(2 marks)

c. Give one property of a twill weave.  

\[ \text{Property} \]  

(1 mark)

d. Name one use of twill weave in clothing  

\[ \text{Use} \]  

(1 mark)

9a. All pictures are showing different types of  

\[ \text{Type of equipment} \]  

(1 mark)

b. Identify three pieces of equipment shown in the pictures, and describe the use of each.

<table>
<thead>
<tr>
<th>Name of equipment chosen</th>
<th>Use</th>
