

## Composition and Harmony

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 1</b>	I can compose a melody to a given set of words;
<b>Assessment Criteria MQF 1</b>	<b>Guidelines/Syllabus</b>
1.1a I can, with support, write a simple rhythmic pattern to a given set of words.	With support students can create a simple rhythm to a maximum of two-liner set of words. Students are expected to make use of all or some of the notes and time signatures listed in the Theory component.
1.1b I can, with support, create a simple melody to a given set of words.	With support students can create a simple melody (pitch up to one ledger line above or below the staff in both treble and bass clef, using the notes listed in the Theory component) to a maximum of one-liner set of words, using time signatures listed in the Theory component.
1.1c I can with support write a musical phrase by using simple notation and basic key and time signatures.	With support students can create simple notation of not more than 4 bars, using notes, and time signatures listed in the Theory component.
1.1d I can, with support, compose a simple musical phrase that reflects the meaning of a given text.	With support students can create a simple musical phrase of not more than 4 bars to a given one-liner text, using notes listed in the Theory component.

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 1</b>	I can compose a melody to a given set of words;
<b>Assessment Criteria MQF 2</b>	<b>Guidelines/Syllabus</b>
1.2a I can write a rhythmic pattern to a given set of words.	Students can create a simple rhythm to a maximum of two-liner set of words. Students are expected to make use of all or some of the notes and time signatures listed in the Theory component.
1.2b I can create a melody to a given set of words	Students can create a simple melody (pitch up to one ledger line above or below the staff in both treble and bass clef, using the notes listed in the Theory component) to a maximum of two-liner set of words, using time signatures listed in the Theory component.
1.2c I can write a musical phrase using simple notation and basic key and time signatures.	Students can create simple notation of not more than 6 bars, using notes, and time signatures listed in the Theory component.
1.2d I can compose a musical phrase that reflects the meaning of a given text.	Students can create a simple musical phrase of not more than 6 bars to a given two-liner text, using notes listed in the Theory component.

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 1</b>	I can compose a melody to a given set of words;
<b>Assessment Criteria MQF 3</b>	<b>Guidelines/Syllabus</b>
1.3a I can write a varied rhythmic pattern to a given set of words.	Students can create a rhythm to a maximum of three-liner set of words. Students are expected to make use of all or some of the notes and time signatures listed in the Theory component.
1.3b I can create a varied melody to a given set of words.	Students can create a melody (pitch up to one ledger line above or below the staff in both treble and bass clef, using the notes listed in the Theory component) to a maximum of three-liner set of words, using time signatures listed in the Theory component.
1.3c I can write a varied musical phrase using a wide range of notation, key signatures and simple and compound time signatures.	Students can create a musical phrase of not more than 8 bars, using notes, and time signatures listed in the Theory component.
1.3d I can compose a varied musical phrase that reflects the meaning of a given text.	Students can create a musical phrase of not more than 8 bars to a given three-liner text, using notes listed in the Theory component.

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 2</b>	I can compose and develop a melody for a specific voice/instrument;
<b>Assessment Criteria MQF 1</b>	<b>Guidelines/Syllabus</b>
2.1a I can, with support, compose a simple melody up to 6-bars in the style of a given opening phrase.	With support students can create a simple melody up to 4 bars in the style of a given opening phrase. Students are expected to make use of all or some of the notes listed in the Theory component.
2.1b I can, with support, create simple melodies using the pentatonic scales.	With support students can create a simple melody of up to 4 bars using pentatonic scales.
2.1c I can, with support, compose a melody by using simple time signatures. E.g. $\frac{2}{4}$ $\frac{3}{4}$ $\frac{4}{4}$	With support students can create a simple melody up to 4 bars. Students are expected to make use of all or some of the notes listed in the Theory component and using simple time signatures.
2.1d I can, with support, compose a simple melody suitable for a specified voice type (soprano, contralto, tenor and bass) and/or instrument (violin, cello, flute, clarinet, trumpet), bearing in mind their respective ranges	With support students can create a simple melody of up to 4 bars for a specified voice type (soprano, contralto, tenor and bass) and/or instrument (violin, cello, flute, clarinet, trumpet), bearing in mind their respective ranges. Students are expected to make use of all or some of the notes listed in the Theory component.
2.1e I can, with support, create a simple melody using my main instrument, second instrument, and/or Maltese traditional percussion instruments, and recorder ( <i>fifra</i> ).	Students can create a simple musical phrase of not more than 4 bars using their main instrument, second instrument, and/or Maltese traditional percussion instruments, and recorder ( <i>fifra</i> ). Students are expected to make use of all or some of the notes listed in the Theory component.

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 2</b>	I can compose and develop a melody for a specific voice/instrument;
<b>Assessment Criteria MQF 2</b>	<b>Guidelines/Syllabus</b>
2.2a I can compose a melody up to 8-bars in the style of a given opening phrase.	Students can create a simple melody up to 6 bars in the style of a given opening phrase. Students are expected to make use of all or some of the notes listed in the Theory component.
2.2b I can create melodies using the pentatonic and major scales.	Students can create a simple melody of up to 6 bars using pentatonic scales.
2.2c I can compose a melody by writing in simple and basic compound time signatures. E.g. $\frac{2}{4}$ $\frac{3}{4}$ $\frac{4}{4}$ $\frac{2}{3}$ $\frac{3}{6}$ $\frac{9}{4}$ and others.	Students can create a simple melody up to 6 bars. Students are expected to make use of all or some of the notes listed in the Theory component and using simple and basic compound time signatures.
2.2d I can compose a melody suitable for a specified voice type (soprano, contralto, tenor and bass) and/or instrument (violin, cello, flute, clarinet, trumpet), bearing in mind their respective ranges	Students can create a simple melody of up to 6 bars for a specified voice type (soprano, contralto, tenor and bass) and/or instrument (violin, cello, flute, clarinet, trumpet), bearing in mind their respective ranges. Students can create a simple musical phrase of not more than 6 bars using their main instrument, second instrument, and/or Maltese traditional percussion instruments, and recorder ( <i>fifra</i> ). Students are expected to make use of all or some of the notes listed in the Theory component.

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 2</b>	I can compose and develop a melody for a specific voice/instrument;
<b>Assessment Criteria MQF 3</b>	<b>Guidelines/Syllabus</b>
2.3a I can compose a melody up to 12-bars in the style of a given opening phrase.	Students can create a melody up to 8 bars in the style of a given opening phrase. Students are expected to make use of all or some of the notes listed in the Theory component.
2.3b I can create melodies using the pentatonic, major, and minor scales.	Students can create a melody of up to 8 bars using pentatonic, major and/or minor scales.
2.3c I can compose a melody by writing in all simple, compound and/or irregular time signatures. E.g. $\frac{5}{4}$ $\frac{7}{8}$ $\frac{10}{8}$ and others.	Students can create a melody up to 8 bars. Students are expected to make use of all or some of the notes listed in the Theory component and using simple, compound and/or irregular signatures (check appendix section in the SEC syllabus).
2.3d I can compose a melody suitable for a specified voice type (soprano, mezzo-soprano, contralto, tenor,	Students can create a melody of up to 8 bars for a specified voice type (soprano, contralto, tenor and bass) and/or instrument (violin, cello,

baritone and bass) and/or instrument (violin, viola, cello, flute, clarinet, bassoon, French horn, trumpet, trombone), bearing in mind their respective ranges.	flute, clarinet, trumpet), bearing in mind their respective ranges. Students are expected to make use of all or some of the notes listed in the Theory component.
2.3e I can create a detailed melody using my main instrument, second instrument, and/or Maltese traditional percussion instruments, and recorder ( <i>fifra</i> ).	Students can create a simple musical phrase of not more than 8 bars using their main instrument, second instrument, and/or Maltese traditional percussion instruments, and recorder ( <i>fifra</i> ). Students are expected to make use of all or some of the notes listed in the Theory component.

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 3</b>	I can analyse harmony and integrate it in my work;
<b>Assessment Criteria MQF 1</b>	<b>Guidelines/Syllabus</b>
3.1a I can create simple compositions up to 6 bars in length using a given melodic opening as a starting point.	Students can create simple compositions of up to 4 bars in length using a given melodic opening as a starting point. Reference should be made to the Theory component.
3.1b I can, with support, use different sequences, patterns, inversions of phrases and repetitions in order to develop simple melodies.	With support, students can use different sequences, patterns, inversions of phrases and repetitions in order to develop simple melodies of up to 4 bars. Reference should be made to the Theory component.
3.1c I can apply basic harmony (I, IV, V) to a given melody as well as my own melody.	Students can apply basic harmony (I, IV, V) to a given short melody as well as their own melody. Reference should be made to the Theory component.
3.1d I can, with support, use two cadences (perfect and imperfect) in my compositions.	Students can with support, use two cadences (perfect and imperfect) in their short compositions. Reference should be made to the Theory component.

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 3</b>	I can analyse harmony and integrate it in my work;
<b>Assessment Criteria MQF 2</b>	<b>Guidelines/Syllabus</b>
3.2a I can write melodies up to 8 bars in length using a given melodic opening as a starting point.	Students can create melodies of up to 6 bars in length using a given melodic opening as a starting point. Reference should be made to the Theory component.
3.2b I can apply different sequences, patterns, inversions of phrases and repetitions in order to develop melodies.	Students can use different sequences, patterns, inversions of phrases and repetitions in order to develop simple melodies of up to 6 bars.

	Reference should be made to the Theory component.
3.2c I can apply harmony (I, II, IV, V) to a given melody as well as my own melody.	Students can apply basic harmony (I, II, IV, V) to a given short melody as well as their own melody. Reference should be made to the Theory component.
3.2d I can use three cadences (perfect, imperfect and plagal) in my compositions.	Students can use three cadences (perfect and imperfect and plagal) in their compositions. Reference should be made to the Theory component.

<b>Subject Focus</b>	<b>Composition and Harmony</b>
<b>Learning Outcome 3</b>	I can analyse harmony and integrate it in my work;
<b>Assessment Criteria MQF 3</b>	<b>Guidelines/Syllabus</b>
3.3a I can create melodies up to 12 bars in length using a given melodic opening as a starting point.	Students can create melodies of up to 8 bars in length using a given melodic opening as a starting point. Reference should be made to the Theory component.
3.3b I can use different sequences, patterns, inversions of phrases and repetitions in order to develop melodies.	Students can use different sequences, patterns, inversions of phrases and repetitions in order to develop melodies of up to 8 bars. Reference should be made to the Theory component.
3.3c I can use harmony (I, II, IV, V in root, first and second inversions and VI in root position only) to a given melody as well as my own melody.	Students can apply basic harmony (I, II, IV, V in root, first and second inversions and VI in root position only) to a given melody as well as their own melody. Reference should be made to the Theory component.
3.3d I can use the four cadences (perfect, imperfect, plagal and interrupted) in my compositions.	Students can use four cadences (perfect, imperfect, plagal and interrupted) in their compositions. Reference should be made to the Theory component.

Learning Outcomes Year 9 – Performance – **For detailed guidelines/syllabus check Appendix.**

<b>Subject Focus</b>	<b>Performance</b>
<b>Learning Outcome 4</b>	I can demonstrate competence in musical performance on my principal instrument.
<b>Assessment Criteria MQF 2</b>	<b>Guidelines/Syllabus</b>
4.2a I can perform general repertoire on my principal instrument, by playing with fluency.	<ul style="list-style-type: none"> <li>- broad range of repertoire from all periods of music</li> <li>- Maltese music</li> <li>- chosen pieces from syllabus</li> </ul>
4.2b I can demonstrate basic competence in performance technique in general repertoire, playing confidently, with accuracy and attention to detail.	<ul style="list-style-type: none"> <li>- broad range of repertoire from all periods of music</li> <li>- practice books</li> <li>- Maltese music</li> </ul>
4.2c I can play with competence on my principal instrument by making use of listening skills, paying attention to intonation, coordination of timing, and details of tempo.	<ul style="list-style-type: none"> <li>- coordination</li> <li>- tempo</li> <li>- intonation</li> <li>- pitch</li> <li>- rhythm</li> </ul>
4.2d I can perform a standard sight-reading piece on my principal instrument.	<ul style="list-style-type: none"> <li>- Up to 8 bars</li> <li style="padding-left: 20px;">4 3 2 3</li> <li style="padding-left: 20px;">4 4 4 8</li> <li>- C, G, F majors, A, E, D minors.</li> </ul>
4.2e I can use basic expressive performance skills by closely observing marked directions.	<ul style="list-style-type: none"> <li>- articulation</li> <li>- dynamics</li> <li>- tempo</li> <li>- expression</li> </ul>
4.1f I can play basic technical exercises and studies on my instrument.	<ul style="list-style-type: none"> <li>- scales, broken chords, arpeggios</li> <li>- studies</li> <li>- exercises</li> </ul>

<b>Subject Focus</b>	<b>Performance</b>
<b>Learning Outcome 4</b>	I can demonstrate competence in musical performance on my principal instrument.
<b>Assessment Criteria MQF 3</b>	<b>Guidelines/Syllabus</b>
4.3a I can perform repertoire on my principal instrument, in a fluent manner.	- broad range of repertoire from all periods of music - Maltese music - chosen pieces from syllabus
4.3b I can demonstrate competence in performance practice technique in general repertoire, playing confidently, with accuracy and attention to detail.	- broad range of repertoire from all periods of music - practice books - Maltese music
4.3c I can play with more competence on my principal instrument by making use of listening skills, paying attention to intonation, coordination of timing, and details of tempo.	- coordination - tempo - intonation - pitch - rhythm
4.3d I can perform fluently a sight-reading piece on my principal instrument	- Up to 8 bars 4 3 2 3 4 4 4 8 - C, G, F, D majors, A, E, D, B minors.
4.3e I can use expressive performance skills by closely observing marked directions.	- articulation - dynamics - tempo - expression
4.1f I can play basic technical exercises and studies on my instrument.	- scales, broken chords, arpeggios - studies - exercises

<b>Subject Focus</b>	<b>Performance</b>
<b>Learning Outcome 5</b>	I can demonstrate competence in ensemble playing skills within different performance contexts/set-ups
<b>Assessment Criteria MQF 1</b>	<b>Guidelines/Syllabus</b>
5.1a I can, with support, play basic repertoire in duo and/or ensemble set-ups, by avoiding hesitancy, false starts with an awareness for all the other performers involved.	- broad range of repertoire including duets, trios etc. from different periods of music

5.1b I can, with support, articulate basic elements of music related to duo and ensemble playing within different performance set-ups.	<ul style="list-style-type: none"> <li>- melody</li> <li>- harmony</li> <li>- accompaniment</li> </ul>
5.1c I can, with support, start to apply basic level of musicianship in my duo and/or ensemble performances.	<ul style="list-style-type: none"> <li>- performance skills</li> <li>- artistic sensitivity</li> </ul>
5.1d I can, with support, use expressive performance skills in duo and/or ensemble closely observing marked directions.	<ul style="list-style-type: none"> <li>- expression marks</li> <li>- dynamics</li> <li>- tempo changes/markings</li> <li>- articulation</li> </ul>

<b>Subject Focus</b>	<b>Performance</b>
<b>Learning Outcome 6</b>	I can demonstrate my knowledge in music theory and basic aural skills through practical application.
<b>Assessment Criteria MQF 1</b>	<b>Guidelines/Syllabus</b>
6.1a I can, with support, recognise and play in different clefs involving practical application in basic performance strategies.	- treble clef, bass clef, alto clef, tenor clef accordingly
6.1b I can, with support, use basic transposition skills on my instrument.	- within the same clef, octave higher/lower
6.1c I can, with support, apply basic aural skills such as intonation and co-ordination, through practical application.	- intonation - identify chords, pitches, melody, accompaniment
6.1d I can, with support, apply basic understanding of theoretical concepts such as timing, rhythm and phrasing applied to performance.	- time-signatures - notation - phrasing

6.1e I can, with support, demonstrate ability to interpret the contrasting styles and periods of music in my performance repertoire.	<ul style="list-style-type: none"> <li>- different periods</li> <li>- different composers</li> <li>- different forms</li> </ul>

<b>Subject Focus</b>	<b>Theory</b>
<b>Learning Outcome 8</b>	I can demonstrate my knowledge, skills and understanding of theoretical concepts.
<b>Assessment Criteria MQF 1</b>	<b>Guidelines/Syllabus</b>
8.1a I can, with support define musical terms in my theory.	- dynamic and articulation marks: piano ( <i>p</i> ), mezzo forte ( <i>mf</i> ), forte ( <i>f</i> ), crescendo ( <i>cresc.</i> ), diminuendo ( <i>dim.</i> ), accent, legato, staccato and stacc. (and all symbols where applicable) - tempo and expression marks: moderato, allegro, lento.
8.1b I can, with support apply basic musical terms in my theory.	- same as above.
8.1c I can, with support, identify basic key signatures in my theoretical work.	- up to one sharp and one flat (major keys only)
8.1d I can, with support, make use of basic key signatures in my theoretical work.	- up to one sharp and one flat (major keys only)
8.1e I can, with support, identify basic scales, broken chords and arpeggios in my theoretical work.	- Major Scales: C major, G major, F major. - Minor harmonic and natural Scales: A minor. - ascending and descending motion, - with or without key-signatures and accidentals.
8.1f I can, with support, use basic scales, broken chords and arpeggios in my theoretical work.	- Major Scales: C major, G major, F major. - Minor harmonic and natural Scales: A minor. - ascending and descending motion, - with or without key-signatures and accidentals.
8.1g I can, with support name harmonic and melodic intervals.	- semitone and tone - harmonic and melodic intervals of a 2 <sup>nd</sup> , 3 <sup>rd</sup> , 4 <sup>th</sup> and 5 <sup>th</sup> , unison and octave

## Aural Training

Subject Focus	Aural Training
<b>Learning Outcome</b>	I can listen, respond to and identify features in piece of music
<b>Assessment Criteria MQF1</b>	<b>Guidelines/Syllabus</b>
13.1a I can, with support, describe basic dynamics, after listening to a piece of music.	With support and much guidance, reference is made to a piece of music as being mostly loud, mostly soft, and also changes in dynamic from soft to louder and loud to softer. With support and guidance reference is also made to the following dynamics: piano (p), mezzo forte (mf), forte (f), crescendo (cresc. and its symbol), diminuendo (dim.), accent, legato, staccato and stacc. ( and all symbols where applicable)
13.1b I can, with support, describe basic articulation (legato/staccato) after listening to a piece of music.	With support and much guidance a piece of music can be described as being mostly smooth or detached using staccato and legato, accent and their abbreviations and symbols.
13.1c I can, with support, describe basic tempi after listening to a piece of music.	With support and much guidance the following tempo markings are used to describe a piece of music: moderato, allegro, lento
13.1d I can, with support, identify the tonality as major/minor in a given piece of time.	With support and much guidance a piece of music is described as being in either a major key or a minor key. Terms like Bright, Sad, and solemn may be used to help lead to identify a tonality as major or minor.
13.1e I can, with support, identify simple time signatures in a piece of music.	With support and much guidance, one is able to clap the beat of a piece of music, identifying especially where the strong beat falls and assisting in deciding whether a piece is in 2/4s, 3/4s, or 4/4s time.
13.1f I can, with support, describe the character of a piece of music with reference to at least one musical feature.	With support and much guidance, the character of a piece of music is described as being fast or slow, and its articulation as being staccato or legato.

<b>Subject Focus</b>	<b>Aural Training</b>
<b>Learning Outcome</b>	I can listen, respond to and identify features in piece of music
<b>Assessment Criteria MQF2</b>	<b>Guidelines/Syllabus</b>
13.2a I can describe varying dynamics after listening to a piece of music.	Describing the dynamics of a piece of music as mostly loud, mostly soft as well as changes in dynamics from soft to louder and loud to softer. Use of correct terminology for the following dynamics: - dynamic and articulation marks: piano ( <i>p</i> ), mezzo piano ( <i>mp</i> ), mezzo forte ( <i>mf</i> ), forte ( <i>f</i> ), crescendo ( <i>cresc.</i> ), diminuendo ( <i>dim.</i> ), accent, legato, staccato and stacc. (and all symbols where applicable)
13.2b I can describe basic articulation after listening to a piece of music.	Describe a piece of music as mostly smooth or detached using staccato and legato, accent and their abbreviations and symbols.
13.2c I can describe basic tempi after listening to a piece of music.	Describe the tempos of piece of music using the following tempo markings: moderato, allegro, andante, lento, accelerando ( <i>accel.</i> ), rallentando ( <i>rall.</i> ), presto, con brio.
13.2d I can identify the tonality as major/minor in a given piece of music.	Describe a piece of music as being in either a major key or a minor key. Terms like Bright, Sad, and solemn may be used to help lead to identify a tonality as major or minor.
13.2e I can identify simple time-signatures in a piece of music.	Identifying the time-signature of a piece of music as being in either 2/4s, 3/4s, or 4/4s.
13.2f I can describe the character of a piece of music with reference to at least two musical features.	Tempo of a piece, articulation of a piece, mood of a piece. Identifying whether a piece is fast or slow, or at a moderate tempo, and using the correct tempo marking to describe it: Moderato, allegro, andante, lento, accelerando ( <i>accel.</i> ), rallentando ( <i>rall.</i> ), presto, con brio.

<b>Subject Focus:</b>	<b>Aural Training</b>
<b>Learning Outcome:</b>	I can listen, respond to and identify features in piece of music
<b>Assessment Criteria MQF3</b>	<b>Guidelines/Syllabus</b>
13.3a I can explain the varying dynamics and gradation of tone after listening to a piece of music.	pianissimo (pp), piano (p), mezzo piano (mp), mezzo forte (mf), forte (f), fortissimo (ff), crescendo (cresc. and its symbol), decrescendo (decresc. and its symbol), pause (and its symbol), legato, staccato and stacc. (and its symbol), accent (and its symbol) subito piano, subito forte.
13.3b I can explain the use of different articulations after listening to a piece of music.	Distinguishing these features and pointing out whether they are mostly present in the melody, accompaniment or throughout -Legato, staccato, phrasing, imitation, accents.
13.3c I can explain the use of basic tempi and tempo changes after listening to a piece of music.	Identifying the following tempos in a piece of music: moderato, allegro, andante, lento accelerando and accell., rallentando and rall., presto, con brio, smorzando.
13.3d I can identify the tonality and any modulation to the relative major/minor in a given piece of music.	Distinguishing a piece in a major or minor key and understanding whether it has moved to its respective relative major or relative minor.
13.3e I can identify simple and compound time-signatures in a piece of music.	Identifying simple time-signatures 2/4, 3/4 and 4/4
13.3f I can describe the character of a piece of music with reference to more than two musical features.	Period it is written in – renaissance, baroque, classical, romantic. Reference is made to History and Analysis Component.

<b>Subject Focus</b>	<b>Aural Training</b>
<b>Learning Outcome</b>	I can listen, memorise and notate/sing in a short melody
<b>Assessment Criteria MQF1</b>	<b>Guidelines/Syllabus</b>
14.1a I can, with support, demonstrate basic memory skills in response to a piece of music.	With support and guidance, being able to sing back a short melody of 3 notes moving in step, ascending or descending or both using notation indicated in the theory component.
14.1b I can, with support, notate a short four-bar melody in simple time in the form of a dictation.	With support and guidance, notation of a two-bar melody using basic notation and time-signature indicated in theory component.
14.1c I can, with support, sing back a short melody with prompting and repetitions after listening to it twice.	With support and guidance singing back individual notes within a small range; singing a short phrase of three-four notes moving in step.
14.1d I can, with support, name major/minor melodic intervals in a given piece up to a perfect 5 <sup>th</sup> .	With support and guidance, recognising if an interval is going up or going down, being able to identify the higher note and the lower note in a melodic interval. Being able to sing the lower or the higher note in a harmonic interval, recognising intervals indicated in the theory component.

<b>Subject Focus:</b>	<b>Aural Training</b>
<b>Learning Outcome:</b>	I can listen, memorise and notate/sing in a short melody
<b>Assessment Criteria MQF2</b>	<b>Guidelines/Syllabus</b>
14.2a I can demonstrate basic memory skills in response to a piece of music.	Singing back a short melody moving in step or intervals, ascending or descending or both using notation indicated in the theory component. This will be up to 2 bars and will use simple time-signature.
14.2b I can notate a short four- bar melody in simple or compound time in the form of a dictation.	The notation of a short two-bar melody using notation indicated in theory component, including rests, and written in 2/4 ¾ and 4//4s.
14.2c I can sing back a standard short melody after listening to it twice.	Singing back individual notes within a small range; singing a short phrase of two to three bars.
14.2d I can identify melodic intervals in a given piece using relative pitch up to a perfect fifth.	Recognising if an interval is going up or going down, being able to identify the higher note and the lower note in a melodic interval. Being able to sing the lower or the higher note in a harmonic interval, recognising intervals indicated in the theory component – major 2 <sup>nd</sup> , 3 <sup>rd</sup> , perfect 4 <sup>th</sup> and 5 <sup>th</sup> , unison and octave.

<b>Subject Focus</b>	<b>Aural Training</b>
<b>Learning Outcome</b>	I can listen, memorise and notate/sing in a short melody
<b>Assessment Criteria MQF3</b>	<b>Guidelines/Syllabus</b>
14.3a I can demonstrate heightened memory skills in response to more complex pieces of music.	Melody writing with expression and tempo markings, up to 4 bars adding expression, demonstrating also tempo and phrasing markings as per theory syllabus.
14.3b I can notate a short four- bar melody in simple in the form of a dictation.	Melody writing up to four bars using notation indicated in Theory Section as well as using simple time-signatures.
14.3c I can sing back a standard short melody with more attention to detail after listening to it twice.	Singing back a melody using any interval between notes showing correct rhythm and correct pitch. The articulation and phrasing indicated in the melody must also be present in the answer. The melody will not exceed 4 bars.
14.3d I can identify melodic intervals in a given piece using relative pitch up to a perfect octave.	Melodic intervals indicated in the theory component.

<b>Subject Focus</b>	<b>Aural Training</b>
<b>Learning Outcome</b>	I can listen, and recognise different styles and time periods of music and am able to draw on my aural knowledge to understand basic.
<b>Assessment Criteria MQF1</b>	<b>Guidelines/Syllabus</b>
15.1a I can, with support, identify the musical period of a piece of music after listening to it.	Recognising with guidance and support, the basic features and qualities of a baroque, classical and romantic piece of music. Reference is made to the History and Analysis component.
15.1b I can, with support, name a possible composer of a given piece.	With guidance and support, naming a possible composer of a piece of music, or choosing a composer from a given list of possible answers. Reference is made to history and listening component.
15.1c I can, with support, identify at least one instrument after listening to an excerpt.	Identifying with guidance and support, an instrument as coming from a wind family, string family, brass family or percussion family. Reference here is made to the History and Analysis section.
15.1d I can, with support, identify at least one instrument after listening to an excerpt.	Identifying with support the main instrument in a piece of music, the more popular instruments being recommended. Reference here is made to History and Analysis – violin, cello, flute, soprano and tenor voices, iz-zafzafa, il-flejpguta, iz-zummara, iz-zaqq, it-tanbur Reference here is made to the History and Analysis section.
15.1e I can, with support, recognise the style of a piece of music.	Recognising with support and guidance, some styles of music - minuet, tango, waltz, choral, medieval, romantic, modern, classical, dance music

<b>Subject Focus</b>	<b>Aural Training</b>
<b>Learning Outcome</b>	I can listen, and recognise different styles and time periods of music and am able to draw on my aural knowledge to understand basic.
<b>Assessment Criteria MQF2</b>	<b>Guidelines/Syllabus</b>
15.2a I can identify the musical period of a piece of music after listening to it.	With support identifying a piece of music as being baroque, classical or romantic. Reference must be made to History and Listening Component.
15.2b I can name a possible composer of a given piece.	With support the possible recognition of a composer after listening to an excerpt. Reference is made to the listening excerpts in the History and Listening Component. Works referred to are by Isouard, Bach, Beethoven, Mozart and Schubert.
15.2c I can describe two or more musical features that support the appropriate style of a piece of music after listening to it.	Identifying with support what is meant by a musical feature. Listening to a piece of music and identifying the following - a probably composer, period, genre, style or culture. Reference must be made to History and Analysis Component.
15.2d I can identify at least two instruments after listening to an excerpt.	Identifying by their sound, with support, the following instruments/voices:  Soprano, tenor, violin, flute, as well as whether to which family of instruments the given instrument may belong.
15.2e I can recognise the style of a piece of music. Eg. waltz, jazz, march	Identifying with support the following styles of music: chordal, imitative, minuet, tango, waltz, choral, medieval, romantic, modern, contemporary, classical, march, jazz, dance music.
