**Subject:** National Audit Office to conduct IT Audit on the effective use of tablets in schools

---

Dear colleagues,

Please note the attached letter from the National Audit Office introducing an IT audit which NAO will be carrying out in relation to the effective use of tablets in State, Church and Independent Primary Schools. NAO will be selecting a sample of schools to participate in this exercise.

We thank all schools who will be participating in this exercise for their co-operation.

Best regards,

Stephen Cachia
