Subject: NAO Survey on Use of Tablets in Years 4, 5 and 6

Dear Colleagues,

As we had already advised schools in a previous circular, the National Audit Office (NAO) is currently undertaking a study on the use of tablets in Year 4, 5 and 6 in all primary schools participating in the One Tablet per Child Project.

As part of this study, NAO have prepared a survey for teachers and parents/guardians of Year 4, 5 and 6 students. The survey may be undertaken online by accessing the following links:

- Questionnaire for teachers: <https://www.surveymonkey.com/r/CH9T8CY>
- Questionnaire for parents (English Version): <https://www.surveymonkey.com/r/CX9R8V5>
- Questionnaire for parents (Maltese Version): <https://www.surveymonkey.com/r/CX9R8V5?lang=mt>

I would appreciate if you would kindly circulate this information and these links to both teachers and parents/guardians, encouraging them to respond to the questionnaire. Kindly circulate the circular to Year 4, 5 and 6 teachers only and to parents/guardians of Year 4, 5 and 6 students only.

Responses to the questionnaire need to be submitted online through the above links by Friday 10th May 2019. I would very much appreciate if there is strong encouragement from the school for Year 4, 5 and 6 parents and teachers to participate.

Many thanks for all your help and co-operation.
