Subject: Moderation of the Speaking Component in the June 2016 End of Primary Benchmark

In its endeavour to ensure the smooth running of assessment procedures, the Department of Curriculum Management will conduct a moderation process during the administration of the Maltese and English Speaking components of the End of Primary Benchmark Assessment 2016.

Education Officers will be visiting a number of schools during the speaking components to observe the conduct of the assessments. The moderators will only be observing some of the sessions and will not involve themselves in the process in any way. The moderator will not be there to assess student performance nor to discuss marks awarded to students.

Thank you for your cooperation.
