**To:** All Heads of College Network and Heads of Primary Schools (State and Non-State)  
**From:** Lawrence Sciberras – Education Officer, Gozo  
**Subject:** *Iċ-Ċittadella: Ilwien ta' Belt Qadima* – A project developed by Year 5 students

---

Heads of School are kindly informed about a project developed by students of Year 5 at the Gozo College - 2019.

*Iċ-Ċittadella: Ilwien ta' Belt Qadima* is an original documentary which presents the timeline of the history of the Citadel. This documentary was developed with the Year 5 students of the Gozo College through the Proġett Kreattiv supported by the Malta Arts Council with the collaboration of the Mathematics Department and the peripatetic teachers of Music, Art and Drama within the College, and coordinated by Ms Elaine Ciantar, Head of Department, Literacy, Gozo.

The project promotes a multi-disciplinary approach to learning since it blends elements of Art, Literacy, Music, Mathematics, Drama and Culture in one presentation, the story of the Citadel through the eyes of our students. This resource is linked to the topic Il-Bliet Qodma from the Year 5 Social Studies syllabus.
