

Environmental Studies

BirdLife Malta Nature Reserves Project

BirdLife Malta are pleased to invite form 5 students choosing the Matsec environmental studies project to visit **Is-Simar Nature Reserve on the 25th of January 2020 from 9.30-11.30am.**

This would be an opportunity for students to explore the nature reserves, to learn more about the conservation and education work happening on site and bring questionnaires for nature reserve staff as part of the environmental studies project.

Students are kindly asked to fill in this form to book their place:

<https://forms.gle/A5GzD8VZzPFL4aNX6>

Students under the age of 18, should also bring the signed parental consent form attached to this email. Alternatively, parents or guardians would be welcome to attend the session and visit the nature reserve too.

For any questions please contact education@birdlifemalta.org.

Thanks and regards

Sarah Brady
