SPLD SKYPE SUPPORT

SpLD Service is determined to continue supporting students, parents and educators throughout the duration of school closure because of COVID-19. During these challenging times SpLD Service will be extending its online services via Skype.

Parents of children with dyslexia are invited to contact a dyslexia specialist teacher for an online consultation to discuss and address specific concerns. Parents and students can request practical advice on how to extend learning at home.

Additionally, educators wishing to avail themselves from this service particularly in relation to **dyslexia friendly measures** are encouraged to also contact us.

This service will be available on Skype during regular school hours from Monday – Friday between 8:30 – 12:30 and 13:00 – 14:30. Kindly contact *SpLD Service Malta* on Skype as per attached schedule:
