

## Ethics Learning Outcomes for Year 5

Outcomes		Outcome Descriptors			
		Outcome has started to be achieved	Outcome has been partially achieved	Outcome has been satisfactorily achieved	Outcome has been fully achieved
1	I can make a distinction between intrinsic and instrumental values.				
2	I can distinguish between judging persons and judging actions.				
3	I can argue in favour of the value of diversity.				
4	I can talk about the meaning and value of tolerance in pluralist societies.				
5	I can define "solidarity" in terms of showing empathy towards people who are different.				
6	I can give practical examples of pluralism in Maltese society, such as people of different faiths living together.
