

## Ethics Learning Outcomes for Year 8

<b>Outcomes</b>		<b>Outcome Descriptors</b>			
		Outcome not achieved	Outcome partially achieved	Outcome satisfactorily achieved	Outcome has fully achieved
1	I can distinguish between physical and mental harm.				
2	I can recognise the importance of reflective action in moral life; explaining why we should think before we act.				
3	I can explain the idea of freedom, e.g. freedom of choice.				
4	I can evaluate the moral worth of an action by recognising its motives and consequences				
5	I can recognise the differences between religious and secular moralities.				
6	I can recognise that the three different monotheistic religions, Christianity, Islam and Judaism, generate different moral cultures.
